

3,000 GOOD THINGS PODCAST GUIDE

USE THIS GUIDE DURING SUPERVISION, TEAM MEETINGS OR TRAININGS, TO BUILD YOUR TEAM'S KNOWLEDGE ABOUT PCSAO'S SHARED PRACTICE MODEL: PACT

EPISODE 9: Adapting Leads to Innovation

In this conversation, Mike and Ashley talk with Char and Corey about the innovative approaches they are taking to improve adoption processes, emphasizing the need for understanding and adapting to the unique challenges faced by youth in permanent custody. The discussion highlights the significance of celebrating successes and maintaining motivation in the face of systemic challenges, ultimately advocating for a flexible and supportive environment for both staff and the youth they serve.

PACT PROFILE: ADAPTING

To be flexible in our response to the needs and the current situation. Being inclusive of supports in adapting to the current situation to best meet the needs.

TEAM DISCUSSION:

- Caseworkers: Are there families that you are currently working with that are resistant or stuck? How can you adapt your approach with the family to assist them in moving forward?
- Supervisors: Is there a process or system within your unit that is problematic or preventing you from providing excellent care to the families you serve? How can you adapt to better meet their needs?
